We honor God by helping others

The children of Jamaica are absolutely beautiful. You look into their eyes and you see unconditional love and joy. What you don't see are the obstacles that challenge them on a daily basis. The lack of a balanced diet, illiteracy, medical needs, tuition for school. All of these are things that we take for granted.

You can help by sponsoring a Jamaican child in St. Mary Parish through ACE. Your sponsored child will receive:

- A set of six school uniforms
- Shoes
- Taxis to and from school
- A cooked lunch of chicken and rice
- Books and school supplies
- Health check-ups
- Tutoring and Christian counseling
- An education providing them skills for a lifetime

You can communicate with your sponsored child via mail and learn of their personal dreams, wishes, family and culture. You can also meet them when you are in St Mary Parish visiting or serving on a mission trip.

For the cost of \$30.00 per month you can help a child and change a life. ACE will make sure that your funds are properly distributed and provide on-going follow-up. To get started, simply visit www.acexperience.org to view the children in need of sponsorship. Then either tear off and send in the below information tab, or send e-mail to childsponsorship@acexperience.org with the name of the child you wish to sponsor.
