

LON SOLOMON'S "BEST OF THE HOLY LAND TOUR" OCTOBER 19 - OCTOBER 27, 2020

MT. SINAI AND PETRA EXTENSION
October 26 - October 30, 2020

The Wailing Wall is the most venerated site in the world for the Jewish people. It is the only remnant of the Jerusalem Temple that was destroyed in 70AD by the Romans. Since then, it has been the focus of Jewish prayer and has symbolized Jewish hope for their eventual return to the land of promise. Immediately above the Wailing Wall is the Temple Mount, where the Bible says that the Jewish Temple will be rebuilt in preparation for the end of this age and the return of Jesus Christ.

Dear Friend,

I am happy to send you the details of our Holy Land tour scheduled for October 2020. As you can see, the tour is a deluxe tour that has us flying El Al (safest airline in the world), staying at the finest hotels and eating the finest food. There are lots of tours to Israel for a person to choose from, so why should you decide to go with Lon Solomon? Here are the testimonials of two previous tour-goers:

"My parents and I were with you on your Best of the Holy Land Tour last month and I wanted to thank you for an incredible time! This trip was especially important to me, as it was a gift to my parents in gratitude for all they've given. And you did not disappoint! Everything was first-rate, every detail attended to: from visiting the sites; hearing their historical, cultural, Biblical and spiritual significance; to our lodging, food, travel, leisure time, and safety. The experience far exceeded my expectations and was well worth the cost. God bless you!"

"How can we begin to thank you for the extraordinary, in fact, incomparable trip we took with you to the Holy Land? We're at a loss for words adequate to express our gratitude--but we'll try. Last Spring, I said to my husband that we must go to Israel this year...And we agreed that you were the only person to introduce us to the Holy Land....Your messages at each site framed our visits perfectly and inspired us with a greater understanding of the Word of God....The opportunity to be baptized in the Jordan River was such a blessing...We want you to know that we always felt safe in your capable hands. No doubt, Almighty God worked through you to cover us with His mighty protection! It was a time of peaceful contemplation, historical reflection, friendly interaction among the attendees, and, most importantly, spiritual renewal...Our gratitude knows no bounds for your leadership, Lon... Thank you from the depths of our hearts...for guiding us through the Holy Land along a journey that is forever."

Here are some of the highlights of the Israel portion of our tour:

1. An evening meeting with Israeli believers who share both their testimonies and the many exciting things that God is doing among Israelis for Jesus, the Messiah.
2. A service of dedication in the Jordan River where those who choose can renew in baptism an existing commitment to the Lord or celebrate a new commitment.
3. A visit to the Israeli Museum to see the Dead Sea Scrolls, and many other archaeological discoveries that confirm the trustworthiness of the Bible.
4. A visit to the Garden Tomb, where we will have a communion service and celebrate the death, burial, and resurrection of the Lord Jesus that purchased our salvation.

I am especially happy that we are able to offer our 2020 Israel tour for the exact same prices as our 2019, 2018, 2017, and 2016 tours with absolutely no changes in our products or services! This is unprecedented in light of Israel's skyrocketing popularity AND the prices being thus increased...but we did it...PTL!

Our extension options for 2020 are great:

1. A special pilgrimage to Mount Sinai. We begin by busing through the Sinai where the Israelites spent 40 years. Experiencing the climate and terrain will give us a real appreciation for the stories in Exodus and Numbers. At Mt. Sinai, first we'll visit historic St. Catherine's Monastery, established in the 4th century A.D., followed by a climb part-way up Mt. Sinai. I promise you that Mt. Sinai will be an adventure you will never forget or regret.
2. A one-day excursion to Petra, Jordan, the "Red-Rose City". This city, carved out of solid rock, served as the capital for the Nabatean Empire in the days of Jesus. Based on Isaiah 63:1-6, there are many who believe that this is the place where the Christians will flee from the Antichrist and from where Jesus will lead them in triumph into Jerusalem after His defeat of the Antichrist at Armageddon. Our exquisite buffet lunch, which is included in the price, will be at the fabulous 5-star deluxe Movenpick Hotel in Petra.

Please note that HLP Tours is offering a **\$100 per person discount** (on the Israel portion of the tour) to everyone who registers with their \$750 deposit by April 1, 2020 [postmark date]. Your discount will be reflected on your statement and will be deducted from your final payment due. I urge you to take advantage of this discount by registering early. I also hope that HLP's **no-interest payment plan** (as explained on the pages of this brochure) will help enable you to participate in this life-changing trip in a way that is financially comfortable for you.

Please let me know if I can be of further service to you (phone 703/280-1114 and fax 703/280-1116). When you send in your deposit, you will be hearing from me regularly with articles and information aimed at better preparing you to get the most out of the tour. Hope to see you in October!

Sincerely,
Lon Solomon

LON SOLOMON'S BEST OF THE HOLY LAND TOUR

OCTOBER 19 – OCTOBER 27, 2020

Oct. 19, 2020 – Depart USA.

Oct. 20, 2020 – Arrive Israel – We then travel to the Sea of Galilee to our hotel for dinner and overnight.

Oct. 21, 2020 – Today, we have a full day in store for us as we rise to view the beautiful shores of the Sea of Galilee. After breakfast, we will visit the site where Jesus ate with Peter after the resurrection and we will have a time of worship and devotions here from John 21 to begin our day. We next proceed to the Mount of Beatitudes where Jesus delivered the Sermon on the Mount. We will take time here for a sermon from Lon. After this, we will drive to the excavated ancient city of Capernaum, where Jesus established the headquarters for his three-year public ministry. We will stand in the very synagogue where Jesus preached. Time will be taken here for another sermon. We will then visit the ancient boat from the time of Christ, found in the mud of the Sea of Galilee during the drought of 1986. Following this, we will sail across the magnificent Sea of Galilee and pause in the middle to reflect on Jesus' miracles that were performed on this Sea. We then settle in at a local restaurant for a delicious lunch. After lunch, we will go down to the Jordan River to baptize those who desire to do this. We will then return to Tiberias, where those who wish (for a small extra fee) can enjoy the wonderful hot springs that made Tiberias famous. After a full day, we return to our hotel for dinner and overnight.

Oct. 22, 2020 – After a restful night, we rise to enjoy a fabulous Israeli breakfast at our hotel. Following breakfast, we drive into the central Israeli highlands that formed the nucleus of the northern kingdom of Israel in the days after King Solomon. We will head first for the ancient city of Megiddo sitting high above the Valley of Armageddon. We will discuss the biblical prophecies of the last days that culminate with the great battle that occurs in this valley. We will also see the fabulous excavations of the ancient Megiddo, one of King Solomon's "chariot cities" and a city that figures prominently in biblical history. From here, we proceed to Mt. Carmel, site of the prophet Elijah's showdown with the prophets of Baal. Time will be taken here to read and reflect on this incredible biblical event as recorded in 1 Kings 18. Next, we go to Nazareth, the hometown of Jesus. Time will be taken here for a sermon from Lon. Board buses and ride to Caesarea, home of Pontius Pilate, location where the Apostle Paul was imprisoned (Acts 25-26) and the city where the Gospel was first taken to the Gentiles in the person of Cornelius, the Roman centurion (Acts 10). Caesarea was one of the great cities of the Roman world, so we will spend time exploring the extensive excavations here by the beautiful Mediterranean Sea. We will also take time in the amphitheater for devotions and prayer. After an exciting day of biblical challenge, we return to our hotel on the shores of the beautiful Sea of Galilee for dinner and overnight.

The Sea of Galilee

Oct. 23, 2020 – After a hearty Israeli breakfast overlooking the beautiful sunrise on the Sea of Galilee, we head off to the East side of the Sea of Galilee to Kursi. This site is in the ancient "Land of the Gadarenes" mentioned in Mark 5 and was the home of the demon-possessed man named Legion. It was here that Jesus cast the demons out of this man and into the herd of swine. Lon will share a devotional at the quaint little church on this spot. From Kursi we proceed to the amazing excavations just south of the Sea of Galilee at the ancient city of Bet Shean. Bet Shean was a significant city in Palestine since the time of Abraham and is mentioned in the records of Pharaoh Thutmosis III as a city he conquered on his Canaan campaign in 1468 BC. It figures prominently in a tragic episode from the Bible, when the Philistines took the beheaded bodies of King Saul and his son Jonathan, and hung them on the city wall of Bet Shean (1 Sam. 31:8-10). Under Greek and later Roman rule, Bet Shean became a wealthy and influential city, as evidenced by the impressive remains from this period, including a theater that rivals the one at Caesarea. We then drive to Jerusalem, the City of God, where we will sit on the Mount of Olives and look over at the breath-taking Temple Mount and Old City. Lon will share a message here focusing on the many biblical events that happened on the Mount of Olives. After a full day, we will have dinner and overnight at our deluxe hotel.

Oct. 24, 2020 – After a great breakfast, we will travel to the private courtyard at the Garden of Gethsemane, overlooking the Temple Mount. There will be time here for worship, devotions and prayer led by Lon. From here, we will walk across the road into the Garden of Gethsemane itself, where we will see olive trees that were actually alive on the night Jesus prayed here. From here we go to the Wailing Wall and the Temple Mount. We will see "The Beautiful Gate" where the events of Acts 3 took place. Lon will share a devotional here. Then, situation permitting, we will proceed onto the Temple Mount where Lon will discuss with us the rebuilding of the Jewish Temple and its implications for the Second Coming of our Lord Jesus. After lunch, we will visit the new archaeological excavations at the base of the Temple Mount, where Lon will share a message and you will get to see some of the very stones from the Jerusalem temple destroyed in 70 A.D. After a great day, dinner and overnight at our deluxe hotel.

Dome of the Rock from the Mount of Olives

Oct. 25, 2020 – After another amazing Israeli breakfast, we will visit the Israeli Museum. Here, we will not only see the Dead Sea Scrolls, but also a number of other archaeological treasures that wonderfully authenticate the veracity of the Bible. Among the artifacts we will see are (1) the oldest written biblical quotation in existence, from 650 BC; (2) the bone-box (ossuary) of Caiaphas, the high priest who condemned Jesus; (3) the Tel-Dan stele, where we find the only mention of David's name outside of the Bible; (4) the original Pontius Pilate stone from Caesarea; and many other incredible finds. Lon will walk us through and explain to us the significance of each of these artifacts and how they confirm the authenticity of the written Word of God. We will also visit the model of the ancient city of Jerusalem as it looked at the time of Jesus. Seeing this and having our guides explain it to us in depth will give you an understanding of the layout of ancient Jerusalem that will help put into perspective every site we will visit in Jerusalem. After lunch, we begin the culminating highlight of our time in Jerusalem: our visit to Golgotha and the Garden Tomb. Plenty of time will be taken here for reflection and meditation as well as a time of worship and a special communion service. Tonight, we have a special celebration banquet with Israeli believers in Jesus at our hotel in Jerusalem and overnight at our deluxe hotel.

Oct. 26, 2020 – After breakfast, we leave Jerusalem and head out for an exciting day around the Dead Sea. We first head south down the coast of the Dead Sea to the Qumran caves, where the famous Dead Sea Scrolls were discovered in 1947. We saw these scrolls at the Israeli Museum in Jerusalem but here we will see their resting place for almost 2000 years until 1947. Next we will drive by the beautiful oasis of En Gedi, where David found refuge in his flight from King Saul (1 Sam 24). Then we will visit Masada, the fortress of Herod the Great. In 70 AD, the last of the Jewish revolutionaries against Rome fled here after Jerusalem and the Temple had been destroyed. They defended this fortress for three years against the Roman 10th legion, eventually all committing suicide rather than fall into the hands of the Romans. After this, we will head to the southern end of the Dead Sea to the ancient area of Sodom and Gomorrah. Time will be taken here for you to swim in the Dead Sea and you will discover that you are positively unsinkable! At this point, our group will divide. Those of us who are going on to the Mt. Sinai and Petra extensions will continue driving south to the town of Eilat. Those of us who are not going to Sinai will return to Jerusalem for dinner and transfer to the airport.

Oct. 27, 2020 – After a great return flight, we arrive back in America with precious memories of the Holy Land to cherish forever.

MT. SINAI AND PETRA EXTENSIONS (October 26 – October 30, 2020):

Oct. 26, 2020 – After our inspiring time in the Holy Land, those taking the pilgrimage to Mt. Sinai will travel to the southern tip of Israel, the city of Eilat. Here, we will spend three nights at our deluxe hotel on the shores of the Red Sea. Dinner and overnight at our deluxe hotel.

Oct. 27, 2020 – We rise to the beautiful sight of the sun glistening on the deep blue water of the Gulf of Aqaba.

THOSE NOT GOING TO PETRA will spend the day here relaxing in the sun, reflecting on the great week in Israel and having time to enjoy the new friends we have made on the trip. Those who are interested can snorkel or scuba, or spend the day shopping or visiting the world-famous underwater observatory in Eilat.

THOSE GOING TO PETRA will spend this day touring the city of Petra in Jordan, the capital of the Nabatean Kingdom at the time of Jesus and the Edomite Kingdom before it - - and recently declared to be one of the new “Seven Wonders of the World.” You will marvel at the beauty and technology that these people demonstrated in carving this city out of solid pink rock. You will ride down the narrow entrance-way called the *Suq*, an experience you will never forget. At the end of this exciting day, we will return to our deluxe hotel in Eilat for dinner and overnight.

NOTE TO CLARIFY: The Petra Extension is an optional part of the Mt. Sinai Extension. Those who take the Mt. Sinai extension have the choice of going (or not going) to Petra. But to go to Petra, a person must also take the Mt. Sinai extension.

Oct 28, 2020 – We rise early and after breakfast set out for Mt. Sinai. We begin by visiting St. Catherine’s Monastery at the base of Mt. Sinai, some 4000 feet above sea level. This monastery was first built by Helena, mother of Emperor Constantine in the 4th century AD. The monastery serves as the repository of some of the oldest mosaics, most exquisite icons and most precious manuscripts in all of Christendom. After visiting the monastery and having lunch, we will walk part way up Mt Sinai to get a beautiful panoramic view of the top of the mountain where God gave Moses The Ten Commandments, and at the valley below where the Israelites were camped for eleven months. Then we return for dinner and overnight at the deluxe hotel in Eilat.

St. Catherine’s Monastery and Mt. Sinai

Oct. 29, 2020 – This morning, we rise leisurely and have time to savor all that we have experienced. Those who wish can snorkel in some of the best waters in the world. Others can simply relax by the pool. In the afternoon we fly to Tel Aviv for our return flight to the USA.
